Yes I'd be glad to follow up with him. I'll forward you my email thread of correspondence which goes over several years so you can see back history on their contribution discussion.

Blair,

Attached is a letter Ben and Sent Steve Fracchia recently asking for continued support. We feel it might be best for you to follow up with a phone call if you are comfortable doing so. (We just don't know him that well.)

For the last five years (2012-2016), Southeastern has contributed \$25,000 each year. Interestingly, in four previous years (2006, 2008, 2010, and 2011), Southeastern contributed \$50,000 each year !

Let us know whether you are comfortable calling him
